STANFORD, KY., TUESDAY, MAY 15, 1906.

NO. 17.

## HIGHLAND.

Corn planting is progressing rather slowly.

House cleaning is the order of the day.

Mrs. Maggie Godky, of Rich Hill, with her children, Kelly, Mary and Grace, visited her sister, Mrs. C. M. Young.

Eggs ought to bring good prices here now as we have three hucksters gathering them up: Messrs. Baugh and James, of this place, and Johnson, of Waynesburg.

A. C. James, while out gathering produce, in trying to give part of the road for another wagon to pass, was thrown from his wagon and severely hurt. His team became scared and ran for some distance.

Born to the wife of Barney Ernst, a boy, Messdames J. G. Baugh and John Reed and R. G. Long, who have been quite sick, are somewhat improved. Calvin, the little son of Una Graybeal, who was so low with spinal trouble, is convalescing. Herman Reed, who has had a similar trouble for two or three years, is now able to walk some.

After so long a time Green Carrier has taken unto himself a helpmeet. He and Miss Hannah Hutchison were married at Rev. J. M. Cook's Sunday morning, after which they repaired to the home of the bride, Mr. and Mrs. Ben Hutchison, to partake of the many good things which had been prepared for them. Here's our best wish for a long and happy life together. While going to the wedding, the horse driven by Harlan Carrier and Misses Zora Baugh and Annie Carrier became frightened and turned the buggy over, throwing the occupants to the ground but they all escaped with only slight injuries. The buggy was somewhat damaged.

## Fortunate Missurians.

"When I was a druggist, at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong to day. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest Cough and Cold cure and Throat and Lung healer. Guaranteed by Penny's Drug Store, Stanford, and Lyne Bros., Crab Orchard.

Ben Huffaker, now serving a life sentence in the Eddyville penitentiary for murder, was convicted of the murder of Ben Shirley, a fellow-convict and given the death penalty. The question of whether or not he can be tried without being pardoned for his first offense will be raised.

## BLACK HAWK,

14 hands, black with white points, will be 4 years old Jan. 28. Will stand at \$8 for mares to insure living colts and foals for the season at same price.

Will also stand the Jim Porter jack, PEY-TON, 6 years old, 15 hands, weighs 1,200 pounds and an extra mule jack. Three crops of his colts have all been bays, blacks and red sorrels. \$8 to insure a living colt.

Also two young jacks, coming 3 year olds, will serve a limited number of gentle mares free.

B. B. KING, Moreland, Ky.

## ROXSIE.

Roxsie will make the season of 1906 at same place as last year. A live colt. Roxsie is about 15 hands high, was sired by Caldwell's Old Giant, one of the largest jacks in Kentucky and his dam was Caldwell's premium jennet and is a fine mule jack.

ROYAL DENMARK, combined stallion; beautiful seal brown; 8 years old; 16 hands; weight 1,200 pounds; is a fine, well-matured saddle horse and a good driver.

Pedigree:—Royal Denmark, sired by Black Dave; he by Stonewall, Jr.; he by Old Stonewall, 1st dam by Escort; 2d dam by Old Peavine. This is a type of the saddle horse that is fast becoming extinct in Kentucky. See him and you will breed to him. \$10 to insure.

DUKE OF RICHMOND. He is a brown combined stallion; 6 years old; 16½ hands. This is a horse with plenty of bone, action and finish; and a proved breeder.

Pedigree:—Sired by Tom Covington; he by Limber Jim. Dam by General Duke. \$5 to insure.

JIM PORTER, grey jack, 15 hands; a breeder of proved merit; as his blue string colts will show. \$5 to insure.

IRONSI DES, black jack, 15 hands. This is a good bone and fine style jack, and is an extra good mule jack, giving his colts plenty of style and finish. \$5 to insure.

All of the above stock will make the season of 1906 at my farm, one mile from McKinney, on the McKinney & Middleburg pike, and in offering the services of this stable of stock to the public, I do not hesitate in saying that I believe they are as good as any in Kentucky.

Money due in all cases with all the above stock when colts are foaled or mare parted. Pasture furnished at a reasonable price. All care taken to prevent accidents, but not responsible should any occur.

Any one wishing for a further pedigree of the above stock can secure same with pleasure, by applying to

R. S. SCUDDER, McKinney, Ky.

The Southern Methodist, the most conservative of all the Methodist bodies, now in general conference at Birmingham, complains that its "articles of religion" do not "meet the existing needs of our church" and invites the co-operation of all Methodist bodies in the revision of the Methodist creed.

## MATRIMONIAL.

John T. Clements and Miss Maggie Southerland, both of Casey, drove to Danville and were married by Rev. T. H. Coleman.

Alvah Portlock, a young man formerly of Knoxville, shot himself at his office in Chicago because a former Knoxville girl had refused to marry him. He probably will die.

## It is Dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by Dr. W. N. Craig, the popular druggist at Stanford, Ky.

The great Ferris wheel, the wonder of two universal expositions, was blown up with dynamite, and now only an immense pile of twisted and broken iron rods and beams marks the place where it stood in Forest Park, St. Louis.

The treatment is simple and pleasant and we absolutely guarantee to refund the money to each and every customer whose corns are not promptly removed with entire satisfaction. A bottle of this great preparation only costs 15 cents and nothing if a perfect cure is not speedily effected. G. L. Penny, druggist, Stanford, Ky.

The most-spoken language is Chinese, but as there are so many dialects in the language, and as these differ so greatly in the confines of Mongolia and Tibet from those around Pekin, it is scarcely correct to say that the 382,000,000 Celestials all speak one language. Putting, therefore China aside, the most-spoken language in the world are as follows, in millions: English, 120; German, 70; Russian, 68; Spanish, 44; Portuguese, 32. If we were to measure these in ratio on a two-foot rule we should get the following results: Portuguese, 4 inches; Spanish 5½ inches; Russian, 8½ inches; German, 8½ inches; English, 1 foot and 3 inches.

## Postmaster Robbed.

G. W. Fouts, Postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters; which cured me and have kept me well for 11 years." ## HUSTONVILLE.

The damage in this locality by the late frosts was very light and the prospect for a bountiful harvest and fruit crop was never better.

Judge J. Boyle Stone and daughter, Miss Amanda, of Liberty, accompanied by Miss Julia Stagg, of this place, returned Sunday from a week's trip to Cincinnati.

He reads without glasses, having received his second eyesight. He will preach at McKinney the third Sunday in May and continue until Friday night, 25th.

## Not as Rich As Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened, is pleasant to take. Every family should be supplied with it. Sold by Dr. W. N. Craig, the popular druggist, at Stanford.
